**A bit more freedom for everyone after restrictions have been lifted, which means that we have been able to do a little more around the Club by opening it up more for our members and guests and, utilising the facilities in the way they were originally built for.**

It is great to see the golfers back out on the course and, the bowlers on the greens enjoying that new found freedom we all once felt prior to Covid. Golfers back into competition golf and the bowlers back playing pennant has been a long time coming.

It's nice to see the new seating out in the front of the Clubhouse for all our members and guests to enjoy during the summer period, after the Club was able to obtain some grant money in helping purchasing them and, I am sure they will get plenty of use over time.

It's been great to have all of the staff back on deck after all the stop-starting they have faced over the past few months. Members please be patient with the staff as they work their way through the new rules implemented by the Government. It will take a little bit of time for everyone to get used to them and in some cases, it might slow down the services that we might have become used to on the past.

The Golf Committee is working through different stages and ideas out on the golf course in conjunction with Superintendent Josh and, we ask members to embrace whatever is decided upon and support these changes.

Our Manager John, along with the Board are looking and working on different ways of making the Club the place to be for Golf, Bowls along with plenty of social functions for everyone to enjoy.

Congrats to Linc Roscholler on his achievement on being nominated in the Community Clubs Victoria awards for the whole state of Victoria and this showcases what great staff we have here at the Club.

We have been saddened by the loss of 2 people who had great input in and around the Club over the years in Andrew Maggs who was our course supervisor and who did so many great things around the course and Club. Les (Pothole) Taylor, who was heavily involved in the bowls side of things at the Club and at state level, also died recently. Our condolences to both sides of the families.

Our chef Anh lost her husband Graeme Shard, recently and our thoughts are with her and her family. Moreover, one of our own staff Dianne Campbell, who worked remotely writing funding applications and doing other work for us, died from a long-term illness.

It was not a good month for the Club on this front.

Like many organisations, we don't always get everything right. Hindsight would be a wonderful thing when decisions are made!

We are all striving to improve all aspects of the running of the Club to the betterment of every single member. Constant put downs does nothing for the Club nor members and I ask that you as a member get behind the Club and support it as best you can.

Regards

Gary Chaplin

Hello everyone,

It's great news with the restrictions finally being lifted! Now we can open up to our full capacity for the first time since the completion of the new extension.

The Club needs all of its members to come down and enjoy our new indoor and outdoor facilities. By doing so, not only will you have a great time, but you will help every aspect of the Club to continue operating into the future.

On a sad note, we experienced four sudden deaths, which has deeply affected our staff and members. A very special thank you to the staff for all their hard work on Wednesday (17 November), for our beloved Andrew Maggs funeral.

Also thank you to the Golf Ladies, Peter and Rob for your help on the day. You all did a fantastic job.

Last week, John, Gary and I met with the Mercury team. It was an eye-opening experience for me, learning about the operational side of gaming!

Going forward, I will be working with John and his team to look at how we can start planning Members' events and other social functions, now that we are open.

But right now, you should know there are several promotions on the go in Fairways Bistro at the moment. They range from being able to win a shopping voucher to winning a golf cart! But you have to be here to win!

Starting next week are the big Christmas promotions. There are heaps of prizes to be won. I have had at a peak at them and, they are really, really good! Check out our Facebook, website or Instagram pages for details.

All the best,

Wendy Carmody

**The Bowls Committee, on behalf of all Bowls Members, wish to thank Manager John and his staff for the sterling work they have done during these most difficult times. Their perseverance and assistance has enabled sport to again be played at the Club.**

Finally the 2021/22 Pennant season has got under way.

There were mixed results the first week with the Midweek team having a good win against Carisbrook 85 to 41. An exceptional result was achieved on Marlene Gay's rink with 38 shots up.

Both Weekend teams were close with Div 1 losing to Highland Tartan 46 to 53 and Div 2 losing to Highland Black 45 to 54. These close results indicate that we have some promise for this season.

During the disrupted Covid playing conditions we were having practice matches on Saturdays and Wednesdays with the maximum allowed 20 players on deck. This activity provided much needed practice after a prolonged break and nice social interaction for members. All bowlers were keen though to get back to true Pennant competition.

The Midweek Triples competitions have begun with Golf hosting the event on Wed Nov. 24th.

Our volunteer group have been busy around the Club with a number of preparation activities and maintenance carried out. A big thank you to all involved.

A number of Social groups have been booked in for the use of the greens leading up to Christmas. Thanks in advance to members who have volunteered to assist.

We have two new Bowls Members recently join us. We extend a big welcome to Michelle Harris and Des Yin Foo who have moved from South Australia. We trust that you will enjoy your future at the Maryborough Golf/Bowls Club.

All double vaccinations have been recorded for members and compiled in a list.

The Bowls Committee wish our club and other competition clubs good luck and best wishes for the coming season and of course at this time of year best wishes for the Festive Season.

Harold Patullo  
Bowls Director

## MONTHLY MEDAL

The Monthly Medalist for November was

### Gary Reed

Gary, playing off 11, shot a great round of 79 of the stick for 68 Nett.

Gary won on countback from Paul raven who also shot a 68 nett.

Well done Gary!

The Brooch winner for the Ladies comp was

### Millie Cassisy

with a score of 81-10-71

from Maryanne Patten on 74 Nett and Lyn Leddin on 75 Nett.

Congratulations Millie

# Golf Report by Leanne Burt (Director of Golf)

## Congratulations to Millie and Chris.

Saturday was the completion of the Club Championships and it was pleasing to see that a few players stayed for the presentations. Congratulations to Millie Cassidy and Chris Thomson who are this year's Club Champions.

Millie to be able to say that you are a Club Champion at the age of 15 is something to be very proud of and I know that this will only be the start of many more to come your way.

**Ladies Winners:** Millie Cassidy Club Champion and A Grade nett winner. Maryann Patten B Grade Champion and nett winner. Cheryl Baker C Grade Champion and Lynette Leddin C Grade nett winner.

**Men's Winners:** Chris Thomson Club Champion. Brett Chaplin A Grade nett winner. Nicholas Earl B Grade Champion and nett winner. Tony Hooper C Grade Champion and Mick Arrowsmith C Grade Nett winner. Winner of the Veterans section Jody Thomson.

Congratulations to all of the winners and thank you to all who participated.

**Ambrose Competition** – A 4 Person Ambrose (any combination) will be held on Sunday 12th December. It would be pleasing to see this event attract a large number of players so if you can play or know anyone who might like a game please spread the word.

**Drink Cart** – Due to staffing levels this will no longer be available.

**Mound 12th hole** – It was raised at the last committee meeting and agreed that this area will remain as G.U.R. Investigations to be made regarding the removal of the mound.

**Water on course** – I am aware of the water that is affecting some of the holes at the moment but I am not able to answer your questions as to when this may be fixed. I share your frustration.

**Volunteers** – As always a big thank you to all the volunteers for what you do for the club. The time and effort that you all put in does not go unnoticed.

Kind regards

Leanne Burt

**Snowy Elliott had a senior moment on the course recently when his group were teeing off.**

Snowy said to the others in the group, I can't find my ball.

The other guys had a bit of a laugh, and said "that is because you have already teed off."

It's catching up with us all Snowy!

**Mick McCarthy had to use all of his ambidextrous skill to play a right handed shot to get his ball back onto the fairway, after he was well and truly snookered behind a tree, while on the 13th hole last week.**

The club veteran handled the shot with ease, but put his next shot in the pond much to the amusement of his playing partners.

Mick still managed to shoot a 7 after the up and down from the pond.

I only said this morning to someone that I was just getting used to writing 2021 and now it's nearly time to start using 2022. (Though I am looking forward to 2.00pm on 2/2/22, where we are seated at a table for 2, where we will finish our 2-course lunches with two coffees and 2 cakes !!)

Where has all the time gone? What happened to 2021?

- We finished off the Building
- We closed because of CoVid restrictions
- We partially opened
- We closed because of CoVid restrictions
- We partially opened
- o (I could copy & paste the above a few times!)
- Golf was on
- Golf was off
- Golf was on with masks, but no competition, only social golf
- Bowls was on. Masks, but no competition, only social bowls
- Competition golf? Yes. Competition Bowls? Yes.
- But you need to QR code check in and show that you have been double vaxed!
- Masks? Members and guests? No. Staff? Yes.

It has been a whirlwind of changing rules as we kept up with changing requirements of the government and the Health Department. Some of the changes have been last minute and, we have always taken a conservative approach to protect the Club and members. We will not risk anyone being fined for not complying with regulations. Nor will we risk the health of members.

So, it has been a year of "hurry up and wait!" We have been poised to show Maryborough and the region our new facilities and what we can do. We have been regularly overbooked with people trying to come and eat here, because they have heard our food quality and service quality is outstanding. And now, we will begin to show our what we can do as Christmas and the New Year quickly approaches.

I can only admire our staff and our volunteers who have worked so hard to support each other and the Club as we went through a turbulent year. I truly am in awe.

News update: We took delivery of four brand new golf carts on the 19th of November. They will be the start of an ongoing plan to gradually update the fleet. (And no Alex, they do not have GPS and Dolby surround sound speakers.)

# Vale Andrew Maggs

**The Maryborough Golf Club is saddened  
by the loss of our former Course  
Superintendent, Andrew Maggs.**

**Our Condolences to all of the Maggs  
Family Members.**

**Following is a tribute from Anthony Toogood,  
Andrew's former boss in Albury.**

While the Super at the Commercial Club in Albury I had an opening for a new staff member and was recommended a "ripper bloke" by another turfie. Andrew Maggs started shortly after and worked with us for about seven years.

He was a ripper bloke and a talented athlete, playing Hockey for The Australian Country Team and The Albury Spitfires, opening the batting for his local Cricket Club and playing golf off low single figures.

He had started his career at the Thurgoona golf club as an apprentice and later the Lavington sports club before coming over to Commercial Club. During his time at the Commercial Club he and his future wife Joe, who also represented Australia in the Australian Country Team took a year off to travel, and spent a year mostly in England playing Hockey, working and travelling before coming back to the Commercial Club.

He was popular with everybody and a natural leader and was always going to get a chance to be a superintendent.

Maggsy left us when he applied for and got the Supers job at the Maryborough Golf Club, where for several years he was well liked, did a great job, and was raising a family, before being diagnosed with stomach cancer.

After leaving the Maryborough Golf Club to focus on his health and family, Andrew was amazing in his humility and how stoic he was over the last few years and will be missed by family and friends of the many sporting clubs in which he was involved, probably none more so than our mate Joel from the Commercial Club greenstaff. Joel is a special needs person and the friendship that Maggsy struck up with Joel showed the class and empathy of the guy, that taught me plenty.

In our infrequent chats over the last few years our talks became less about work and turf and more about nothing! I am grateful that I last spoke to Maggsy about 10 days before he passed away and he was still talking about where he was looking forward to taking his caravan with Joe (who he described as a Saint) and his children Sam 5 and Leo 2.

The loss of Andrew Maggs will be felt across many communities, not just the turf community, and we have all lost a mate.

R.I.P Andrew

# Congratulations Linc

The Maryborough Golf Club's Linc Roscholler has big plans for his future in the community club industry, and a recent finalist placing in a state-wide award has confirmed he's on the right path.

Currently the golf club's front of house supervisor, Mr Roscholler has been announced as a finalist (which was delayed due to COVID) in the Community Clubs Victoria Young Employee of the Year 2019-2020 award.

CCV is an industry association which represents the needs of Victorian community clubs, providing support and advice and the awards attract entrants from across Victoria.

Mr Roscholler, 23, said the finalist placing came as a genuine surprise.

"My manager at the time and everyone on the board put my name forward. I had no idea I was in the running for it," he said.  
"When I found out, it was a real surprise and it's a real honour.

"There's a lot of clubs with CCV, so that's a lot of people in these awards. They're looking for somebody in the industry who is pleasant, makes people feel comfortable and show they've got a career in this industry."

Mr Roscholler has been working at the golf club since 2015, his first job straight out of high school.

He said the award has "reassured" his plans for the future.  
"Eventually I'd like to open my own restaurant or manage a club the size of the golf club," he said  
"Being a finalist in this award has reassured everything I thought I could achieve."

"Something like this also just goes to show it doesn't matter where you're from, you don't have to be from a big city like Melbourne or those bigger community clubs to be a finalist in something like this."

Maryborough Golf Club manager John Sedunary said Mr Roscholler sets a high standard for the club.

"Finding out Linc was a finalist was cause for great celebration, we're very, very proud of him," he said.  
"To put it simply, he's an absolute ambassador for the club and he sets a really high bar for all of us to reach in terms of our service standards.  
"Anywhere I go, I receive comments from people about how great he is."

10.30AM FOR 11AM HIT OFF  
ENTRIES: MGC WEBSITE TIME SHEET

Get your entries in for the  
Upcoming 4 person Ambrose  
event.

Entries can be lodged on the  
time sheet app.

Any Combination.

Greenkeepers Revenge

MARYBOROUGH

# November Greens Report by Josh Lacey

## Greens:

- Application of Fungicide
- Grooming continues fortnightly weather permitting
- With comp golf back rolling of the greens has started again on Thursdays again weather permitting.
- Greens have begun to be cut up to 4-5 times a week with the growing season well under way now
- Poa seed head in greens. Unfortunately, we missed our window to spray Ethaphon which helps in preventing Poa seed head due to the weather. We have backed up this by putting out an application of Trinexapac-Ethyl which is a growth regulator to help combat the seed head and reduce growth of the bent which helps lessen mower frequency and also help in retention of plant resources.
- Application of fungicide (Thiram)
- We have also started to replace some areas of greens
- Height of cut has been lowered from 3.5mm to 3mm

## Fairways:

- The fairways are coming along nicely and are now being cut at 12mm.
- Application of urea and iron has been made.
- Water is being pumped on early same as last year, I believe this is the best practices and gives our fairways a great chance over the hotter months to come.
- Fairways have started to be cut twice a week to help keep down the growth.

## Tees:

- Some tees have started to be cut twice a week depending on growth the rest are cut once a week but double cut.

## Bunker work

- Whipper snipped edges
- Weeded
- Fluffing up/raking with a deep tine rake.

## Water usage:

We still have the recycled water on, they have plenty of this at the moment which is good news for us going into the future hopefully we get another good run with the water this year.

## Rough:

- I know there has been a little bit said about our rough of late. I have raised the height of the rough cutter, but it is only a very minor adjustment.

There were a few reasons for this.

1. The fact we wanted to promote a bit more grass along the sides of the fairways as there has been complaints in the past that the edges of our fairways are rough and uneven.

2. We want to protect the mower a bit more, in this current climate we are looking to keep our costs down, we were going through blades and housings a lot quicker than we should be due to the fact we would be hitting sticks/rocks/tree roots. Its been noted since raising the height of cut we are no longer hitting those things which will now help protect our mower and help minimise costs of repairs and maintenance, in which the cash normally spent can then be used on other important things.

**Rainfall since last meeting: 95mm**

Above are some aerial view shots of the Golf Course taken by Kaijah Bond with his flying drone.

Thank you Kaijah for taking the photos.
