AUSTRALIA'S BIGGEST

From the Board - By President Gary CHAPLIN

The last few months has seen plenty of hot weather about and that has really tested out our greens staff and volunteers in keeping the golf & bowling greens in the conditions we find them today.

It is disappointing that we have golf members of the club who fragrantly are thumbing their noses at the club rules that are in place either when practicing or playing comp during the week.

Rules are in place for a reason so I am asking all members to do the right thing and follow the rules as set out by the club or otherwise suffer the consequences either at the board level or from the golf committee.

All the hard work in getting the course in the condition it is today should not be undone by a small minority of members doing the wrong thing.

We have had plenty of golfing groups visiting from all parts of Victoria over the last few months as they enjoy what we have to offer with our course and facilities with plenty of positive feedback from them about how accommodating members and workers in meeting their needs during their visits. Well done to all.

We had a break-in last month where we had damage to the male toilets and some property was stolen which has led to changes being made internally and externally around our security at the club to stop this from happening again.

What a great day for the MDHS – True foods & Maryborough Golf Club golf day with all parties working hard in making sure the day was a roaring success for all concerned as all parties were looking at raising around \$20,000 on the day. A special mention to Kelly Walker for coordinating the day from our end and to all the other workers and members who assisted in making sure the day was a great success.

Our head Chef Andrew has finished up at the club as he looks at a new adventure and challenge in his life by taking up a position at the MDHS. Andrew will be still around to assist at the club when needed. Anup Rijal who was 2nd in charge in the kitchen has stepped up as our main chef and I am sure him and the staff will continue with the high standards set by his predecessors.

The club has recently advertised its position of General Manager and has received 19 applications for the position and now a subcommittee will be formed to look at shortlisting the list of applicants and then commence interviews for the position.

The club has been looking at different initiatives and ways of increasing our patronage at the club early in the week in utilising the club's facilities and on Tuesday nights we have the local pool comp playing here.

On Wednesday night the darts comp are using our alfresco area for their competition nights as well.

This will not inhibit the usage for our members or for golf and bowls as we see it as a way of gaining extra patronage early in the week.

WILD STORM

A trail of destruction was left behind all over Maryborough and particurlay at our golf course on Tuesday 13th February.

The storm that swept through the town and the majority of Victoria was intense and it saw many trees down on the course and through Maryborough.

After a hot day on the course, most groups had nearly got through, when all of a sudden, the heavens opened up and a ferocious storm swept through the course.

A working bee on the following day saw many members turn up to help clear up the aftermath.

Trees can be seen between the 6th tee and Travis & Terry Ross's house. and the umbrella out the front of the clubhouse came off second best.

**BOWLS MEMBER
ELIZABETH BUCKNALL
TURNS 90**

Elizabeth Bucknall has been a great ambassador for the

Maryborough Golf and Bowls Club representing the Club in many tournaments over the years.

Some of these were further afield in places like Mildura.

Liz began her bowling career at the Carisbrook Club before coming to join Maryborough.

Not only did Liz excel at Bowls but she also graced the Golf course with distinction.

She was the Ladies Bowls Club Champion in 2009 and again in 2017 as well as winning many of the Club events over the years.

Liz was the Tournament Secretary for a number of years and was a Skipper in Midweek Pennant for longer than many can remember.

All Bowling Members wish Liz a happy birthday and best wishes for another bowls season.

Bowls Report by Bowls President Harold Patullo

The bowling season has come to an end with only some social games left.

All the Club events have been completed now and the winners and runners up will receive their awards at our Presentation Dinner to be held at the Club on Monday April 15th.

The recipients this year will be:

Mens A Grade Cub Championship Winner Tony Chambers Runner up Rob Bird

Ladies A Grade Club Championship Winner Michelle Harris Runner Up Marianne Smith

B Grade Championship Winner Des Yin Foo Runner Up Syd Webb

Ladies 100 Up Winner Gertie Taylor Runner Up Marlene Gay

Mens 100 Up Winner Gerry Carmody Runner Up Geoff Mottram

Club 3 Bowl Pairs (formerly Ladies Pairs) Winners Syd Webb/Gertie Taylor Runners Up Jeff Smith/Shady Lane

Ladies O'Halloran Pairs Winners Marian Webb/Bev Dawson (Area Final to be played at Carisbrook)

Mens (Shocko) Pairs Winners Harold Patullo/Graeme Thomson

A new Event was introduced this season:

Presidents Pairs Winners Michelle Harris/Rob Bird Runners Up Marlene Gay/Jeff Smith

Congratulations to all Winners and Runners Up and thank you to all Bowlers who entered the events.

Our Pennant results were good this season without being spectacular.

The Midweek and Weekend Div 1 teams both finished in 5th place just missing finals.

The Weekend Div 2 team made it into 4th place and played in the first semi final, but without further success. My thanks to all players who committed themselves to a rather long Pennant season. Thanks to the Midweek and Weekend Selectors who worked hard to get teams onto the field each week. A job well done in often difficult situations.

Both Greens have had a lot of work done on them this summer. "A" Green was laser leveled which put it out of action for some of the Pennant weeks after the Dec/Jan break. Because "B" Green was not in a great condition then we had to play some games away.

Thanks to the Highland Club for assisting us here. Both Greens are showing a vast improvement. Thank you to Rob Bird and Kort Gay for the great effort put in to achieve these results, ably supported by a number of members who gave of their time so willingly. I won't name you all, but we all know who you are.

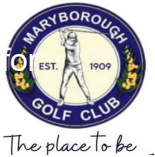

The Bowls AGM will be held at the Bowls clubroom on Monday 29th April at 5pm.

A request for nominations has been sent out to members.

Forms are available on the notice board or can be obtained from Des or Brenda.

We need Members to seriously consider nominating for positions on the Committee to enable the Bowls Section to continue successfully.

The Monthly Medalist for April was **Dave Richards**

Dave shot 86-21-65 to win on a countback from Brian Douglas who also shot 86-21-65 but the 7 on the last hole was costly.

2 shots further away were Mark Marson, Graeme Malone and Mick Cameron all on 67 nett.

The Brooch winner for the Ladies comp was **Maryanne Patten** shooting a 69 Nett.

One shot away was Milie Cassidy with a 70 nett.

Congratulations Maryanne!

Hole in One

On the day of the very bad storm on Tuesday February 14th, there was an earlier storm on the course when Tony Wood holed out for a hole in one on the 11th hole.

Tony had been having a rough day of it until the 11th. His tee shot was a ground hugger and seemed bound for the right bunker, but somehow ran along the edge then followed the slope onto the green still travelling at pace.

However, the flag stick got in the way and Tony's ball rose into the air only to fall back into the cup. It doesn't matter how they get there, it is still a hole in one! Well done Tony!

4BBB Championship Winners

The 4BBB Championships were held over two weeks recently and the winners were **Adam Proctor & Max McLean** in the men's comp.

Adam was very lucky to have Max as his partner as he was on fire, particularly on the second nine after he sustained a couple of cold ones to relax the nerves.

Max was sinking putts and sinking stubbies. Scores of 45 & 45 for a 90 total. Great win guys.

And the ladies winners were **Sharon Treble and Donna Bauer** with a score of 47 & 45 for a 92 total.

Both Ladies played some exceptional golf and were comfortable winners after the completion of the rounds. Well done girls!

Nutsy & Burf

Nutsy & Burf had a bit of a rough day recently. Nutsy had a lot of tree trouble as can be seen at right.

Burf had some trouble with the water.

He put 3 balls into the ponds around the course and on the 3rd time, he let rip with some colourful language.

He asked the editor to apologise to the members as he was sure everybody would have heard him.

Dave in the Tree's again

Dave Maffa knew he was going to have a bad day recently when his first shot of the day ended up in a precarious position amongst three branches of a tree.

He surveyed the ball from all angles to see what his best form of attack would be.

He finally settled on the left handed shot with the back of a club and he played the shot to perfection.

He played it so well, word is, he is toying with the idea of buying some left handed clubs and becoming a cackhand.

Don't do it Dave!
Righty's are far superior to the lefties!

Dave wins Herb McKinley Trophy

Despite his tree troubles. **Dave Maffescioni has won the 2024 Herb McKinley Trophy.**

Dave cleaned up with 15 points to take out the award by 5 shots from Graham Pratt, Ian Gilmour and Ian Hubble who all finished with 10 points.

Rob Young, Maurice Boyd, and Graham Thomson were all one shot further away on 9 points.

Dave's golf has come a long way in a short time.

Well done Dave!

Vertically Challenged

The editor had the pleasure of playing with Snowy Elliott recently.

During the round we came upon a herd of Kangaroo's and while we were hitting off the 14th tee.

Someone from another group yelled out to us. "Not very often you see something on the course that is shorter than Snowy Elliott!" Snowy was a bit flustered by the comment, but took it in his stride and did have a laugh as well!

Golf Report by Atrél Turner (Golf President)

Hospital Day: The annual MDHS Golf Day was conducted recently.

A large field of 126 players contested the event.

The main purpose of this day is to raise much needed funds for the Maryborough Health services. This was certainly achieved with just under \$26000 being raised on the day. We have now been partnering with True Foods for the past 10 years raising a massive \$220 000 in this time. A big thank you to Wendy Carmody, Leanne Burt and Kelly Walker for their great work in organising this day.

Congratulations to all the winners on the day and thank you for your support on the day.

Good Friday event: A Gentsomes event was conducted on Good Friday with a good turn out of players enjoying perfect golfing conditions.

Our special events have gained momentum and again a small band of workers have made these events possible.

Well done Dave Kerry, Leanne Burt and Wendy Carmody.

A big Easter thank you to the raffle donor your generosity is much appreciated.

9 Hole Competition: As we head out of Daylight saving the 5 @ 5 event(which has proven to be a great success) has concluded. The void will be filled by a 9 hole Competition which will be played over 2 days. Thursday and Friday are the two days. You can play on both days as long as you pay the entry fee on both days. Entry fee is \$5.00 per round and you will be playing for a \$30.00 voucher for winner and \$10.00 for runner-up. This competition is to be played from the blue markers for Men and red markers for the Ladies.

Grievance process: Just a reminder to all members regarding any grievances you have.

Their is a grievance /suggestion form hanging on the noticeboard which can be filled out and handed to any one of the Golf Committee members. The process will be then handled at the next Golf meeting or if urgent will be dealt with immediately.

Fire wood: We are currently selling our firewood for \$120 for a 6x4 trailer load. If you would like to purchase this wood, see Gary Hutchinson or Atrél Turner.

We only have a limited supply at present so it will be a first in basis.

Warning siren: We had an instance during the last storm that players remained on the course after the siren was sounded. This is a real no-no as all player safety is of the utmost importance and these players remained on the course in a severe storm situation. I hate to think of what could have happened. Before play can continue (if it is to continue) the course will be checked for dangers and if deemed suitable for play another siren will be sounded and an announcement will be made. This last storm play should not have continued due to the dangerous condition of the course. If members do not adhere to the siren in future they will be requested to meet with the Match Committee to explain their reasons for their decision.

Ladies Pennant: We were unable to field a Ladies Pennant team this year and Avoca GC also had number issues. To help Avoca GC out we have Doris Jennings and Wendy Carmody participating for Avoca. Well done ladies this is great to see.

June Long weekend: We are beginning planning for the events over the long weekend in June. If you have any suggestions on what events you would like played over this weekend do not hesitate to contact one of the Golf Committee members.

He still managed to par the hole, so well done to you Harold!

Hole in one for a Visitor

The club has hosted a number of different visitors groups of late,

One of the groups was made up of 16 golfers from the Western Suburbs of Melbourne with most of the group from Melton Valley and Bacchus Marsh GC.

The trip was their 15th Annual **Rod Bonnici Memorial Week**.

The group go to different clubs each year and celebrate the lives of those they have lost and hold dear to them

Mitchell Bonnici of Melton Valley is Rod's nephew and was very glad that their group chose Maryborough Golf Club for the 15th trip, as his very last shot of the day on the Tuesday of the trip, saw his tee shot with a 7 iron off the 9th tee bed, take one bounce on the green, and into the hole.

It was a very special moment for Mitchell, and there was much excitement from him and his group for his first ever hole in one!

Well done Mitchell!

General Manager's Position.

Advertisements for the General Manager's position were advertised last month and we have received 19 applicants. Of these, 5 applicants have been shortlisted and they will be interviewed over the coming week with an announcement to be made shortly after.

MDHS tournament:

Congratulations to all of our staff, volunteers, sponsors and the Maryborough District Health Service for their great effort in conducting a great fund raiser for our health service. We certainly can put on a great event.

The place to be

Clubhouse Maintenance:

John Scott one of our green keepers, will now undertake maintenance on the Clubhouse for ½ a day per week. It is vital that we look after our single biggest expenditure item.

Volunteers wanted to paint toilet:

As we are all aware, the condition of the old toilet block is pretty ordinary to say the least. I think that a good lick of paint will certainly make a big difference. We already have a couple of volunteers, but a couple more would be handy. Give me a bell if you are interested.

Club sponsorship:

The Club will officially sponsor the Natte Bealiba and Giants Football Netball Clubs. We hope the sponsorship will be beneficial to all parties.

New Head Chef.

We welcome the appointment of Anup Rijal to the position of Head Chef. Already we have seen a vast improvement in financial performance of the bistro. As well, members will see some new faces in the "front of house" as we appoint new staff to improve the depth and skill of our "front of house" roster. Anup replaces Andrew Hughes who has gained employment elsewhere and we thank Andrew for his contribution to the Club and wish him all the best for the future.

Annual general meeting:

The Club's AGM will be held shortly and this provides members to nominate to become members of the Board. As with all clubs, it is easy to be critical of those with the courage to step up so each AGM provides everybody with the opportunity to put their hands up. Over the past year the Board has certainly become more professional in the way it operates with a clearer focus on financial performance, governance and compliance as apposed to dealing with operational issues.

We were well looked after by the Numurkah GC staff and we appreciated the welcome we received by the Numurkah members when playing in the Men's Comp on the Thursday.

We also thank club pro, Anthony "Bear" Sanders for generously donating a club shirt and the winner of the draw for the shirt was Tony Reeves.

We look forward to returning to Numurkah in February 2025.

Saturday NAGA Winners**

A group of golfers from Maryborough have been attending the Labour day weekend golf tournament at the Deniliquin Golf Club since the early 1970's.

This year a group of 14 golfers attended the 4BBB event which is played on Saturday and Sunday.

The group also have a competition amongst themselves playing for the **Geoff Dahmes Memorial Trophy** and this year it was taken out by **Mick White and Eddie McQuienn** with **82 points** over the two days to win by 1 shot from **Geoff Mottram and Rob Daniel**.

The group also play for the **Carl Malone Memorial Trophy** which is for the best daily score which was won by **Mick Arrowsmith and Mark Wyllie** with 44 points on the Sunday.

A rags to riches story was when **Mick Arrowsmith and Mark Wyllie** shot 32 points on the Saturday to take out the NAGA, but after recharging their batteries on Saturday Night, they fought back on the Sunday to post 44 points which was enough to see them with the **Carl Malone Memorial Trophy** for the best daily score. Well done guys!
